Hi Phong,

We don't have much to update you with, but I've attached our status report that we filed to the Courts in January. Feel free to share the information with the committee.

Also, can you send me contacts for Prince George's County and the State Highway Administration? I'd like to ask them for their available trash data.

Thank you so much,

*Jillian Adair*

Hi Jillian,

We are having an Management meeting tomorrow. I will provide a brief trash TMDL update. It will cover our November meeting. Are there any updates, available to the public, since that meeting. Have you met with MD and DC?

Thanks Phong
